

# FOOD ALLERGIES could mean Life or Death

Eggs

Fish

Milk

Peanuts

## MOST COMMON FOOD ALLERGENS

Shellfish

Soy Beans

Tree Nuts

Wheats

### TO AVOID FOOD ALLERGY OCCURRENCES:

- ◆ Find out if any of your diners has a food allergy
- ◆ Establish a clear and open line of communication
- ◆ Avoid hidden food allergens by:
  - ~ Reading all ingredient labels
  - ~ Paying close attention to anything that goes into the food
  - ~ Avoiding cross-contact.

**Take food allergy requests seriously!**

**NOTIFY MANAGEMENT AND  
CALL 911 IF A GUEST HAS AN ALLERGIC REACTION**
